To Mr. Henry Chapman.

Sir,

I have a few
dollars in stamps which I would
like to sell, and have been
informed that perhaps you
might become a purchaser.
They are mostly from Japan,
some have been through the
mails, others are quite new
which were sent me from Japan.
If you think you will purchase
them kindly let me know, &
will forward them to you as
my time is so much occupied

to household duties that I am
not able to leave home for any
length of time during the day.
I did call at your house about
a month ago, when your servant
told me you were out of town.
I have several varieties of stamps
& will send them for you to judge
if they are worth your consideration.
I enclose an addressed
envelope & trust you will
kindly answer.

Yours respectfully,

Bessie de Grew.

Mr. Henry C Chapman,
Dear Sir,
I hope you will
pardon my seeming
negligence in acknowledging
your kind favor with the
enclosed $5 00 I have been
very much occupied, & your

aside & forgotten — until just
now — I sincerely apologize.
I have more stamps (Japanese)
which I will forward if you
desire them.
Yours respectfully
